

TOKEN ALLOCATION TERMS OF USE & CONDITIONS

www.nfpad.io

DISCLAIMER

YOU ARE ONLY ABLE VIEW OR USE THE SMART CONTRACTS, AND THE WEBSITE AVAILABLE IF YOU ACCEPT ALL OF THESE TERMS. VIA PLATFORM, SMART CONTRACTS, WEBSITES, THIRD PARTY APPS YOU ARE CONFIRMING THAT YOU HAVE READ, UNDERSTAND, AND AGREE TO BE BOUND BY ALL OF THESE TERMS OF USE & CONDITIONS.

IF YOU DO NOT AGREE AND/OR ACCEPT ALL OF THESE TERMS OF USE, THEN YOU MUST NOT USE THE SERVICES, THE SMART CONTRACTS AND THE PLATFORM OR WEBSITES, AND YOU MUST DISCONTINUE USE IMMEDIATELY.

YOUR ENTRANCE OR USE OF THE PLATFORM, SERVICES, WEBSITES OR SMART CONTRACTS CONSTITUTES YOUR AGREEMENTS TO THIS TERMS AND ANY FUTURE REVISIONS.

I. GENERAL PROVISIONS

1. NFpad is an online platform based on blockchain technology and new technologies. As part of the available Services, the Platform allows Users to purchase Tokens from third-party Providers. These Tokens are provided by third party projects (Providers) while WEB3 Technology Inc. (hereinafter referred to as the "WEB3 Technology") is responsible for this Service in terms of enabling NFpad Users to purchase Tokens. NFpad is not responsible for the User's actions related to the allocation of Tokens in connection with a transaction with a particular Provider or WEB3 Technology. Detailed terms and conditions of their purchase and use are specified herein, via information published directly on the Platform and other documents shared by the WEB3 Technology.
2. The User acknowledges and accepts that the WEB3 Technology does not manages [https://nfpad.io/](https://nfpad.io) (hereinafter referred to as the "Platform") but only provides the Services with respect to the ability to acquire Tokens. You by purchasing the Tokens as a part of the blockchain network, establish a relationship on a basis of other terms and conditions or terms and conditions of service provision, including especially, but not only, information and documents available on websites www.ethereum.org (or another depending on the specific blockchain network used by a particular Provider) and/or www.metamask.io or others provided by Providers and/or WEB3 Technology or others to which the Platform is currently redirected, to make payment for the Tokens. Thus, the User acknowledges and accepts that purchasing of the Tokens does not refer to any a transaction or conclusion of any agreement directly with the NFpad.
3. The User accepts the provisions hereof, without any doubts nor additions, as well as the User acknowledges and accepts that: (i) the Token distribution process is not a public offer, alternative investment fund management activity nor activity performed by an investment fund, and that the WEB3 Technology's activity is not a banking activity, or an insurance or reinsurance activity within the meaning of the relevant national acts in the place of the WEB3 Technology's main office; (ii) the WEB3 Technology does not guarantee the User that the execution of any activity on the Platform or within the Service, as well as the acquisition of Tokens bring the User expected outcomes, results, or economic or financial profits.
4. You expressly acknowledge that your receipt, purchase, or possession of Crypto Assets does not give you any rights in or claims against NFpad or/and WEB3 Technology, that Crypto Assets are not a financial or investment instrument of any kind, that Crypto Assets may not have any real-world monetary value whatsoever, and that NFpad or/and WEB3 Technology is not responsible for any value attributable to, or fluctuations or loss in the value of Crypto Assets.
5. Any information presented by NFpad or/and WEB3 Technology does not constitute an offer within the meaning of the relevant legal regulations, nor does it constitute a calculation for such offer, and is for informational purposes only.

6. Each User is obliged to comply with the provisions hereof while taking steps to use the Platform. The User is obliged to read the content hereof. Acceptance hereof is voluntary, but it is a condition of using the Platform. Documents intended for Users are made available in electronic form on the Platform in such a way that Users can store and retrieve them in the course of ordinary activities.
7. Headings are purely ordinal and may only support the interpretation and clarification hereof. A reference to documents is a reference to the relevant document and any subsequent amendment or modification thereof, unless otherwise stated in the content of the reference. Here, unless the context requires otherwise: (i) words describing a kind refer to all kinds; (ii) singular words refer to also as plural, and plural words refer to also as singular; (iii) capitalized words refer to definitions in (II) hereof.

II. DEFINITIONS

1. **WEB3 Technology** – the provider of the Token allocation Service is WEB3 Technology Inc. The Services are provided based on an agreement concluded with NFpad, which is the service provider of the Platform <https://nfpad.io/>. Contact is available at e-mail: info@nfpad.io.
2. **Agreement** – shall mean these Terms of Use & Conditions.
3. **Provider / Providers** – External entities, that provide or may provide services and content on the Platform, in particular with regard to the ability to purchase Tokens.
4. **User** – a natural person, a legal person, an organizational unit without legal personality to whom the law assigns legal capacity, who manages business or acts professionally, or has appropriate competences on the basis of national law to participate in the Platform, if applicable in the place of temporary or permanent residence and who uses the Services or/and the Platform.
5. **Account** – collections and competences assigned to the User for the allocation of Tokens within the Platform, includes data necessary for authorisation (including in particular, but not only - wallet address on Metamask).
6. **Crypto Assets / Tokens** – the term refers to the cryptocurrency tokens issued by Providers in the blockchain technology, the detailed operating conditions of which are described in the documents provided by the WEB3 Technology or Providers on the Platform.
7. **Intellectual Property Rights** – means all and any data, information, video, graphics, sound, music, photographs, software, any other materials or content (in whatever format), copyrights as well as all computer code or scripts, whether compiled or not in any computer language or program, all patents, utility models, trademarks, know-how, trade names, domain names, rights in logo and get-up, inventions, all rights in computer software and data, databases, confidential information, trade secrets design rights (whether registered or unregistered) and semiconductor topographies and all intangible rights, privileges and forms of protection of a nature or having a similar effect to any of the above which may subsist anywhere in the world.
8. **Platform / NFpad** – means the distribution platform on which WEB3 Technology enables Users to allocate (acquire) Tokens means and distributes the Services (in particular, <https://nfpad.io/> or sub-sites to which the Platform redirects).
9. **Restricted Content** – means any content or term that: (i) promotes or is related to illegal activities (illegal drugs, phishing, terrorism, criminal activities, contests, pyramid schemes or chain letters etc.); (ii) promotes or is related to tobacco, gambling or weapons; (iii) is related to pornographic or obscene material; (iv) is related to excessively graphic or explicit violence; (v) is defamatory, inappropriate or profane; (vi) is discriminatory or constitutes “hate speech”, whether directed at an individual or a group, and whether based upon the race, sex, creed, national origin, religious affiliation, sexual orientation or language of such individual or group; (vii) promotes or contains viruses, worms, corrupted files, cracks or other materials that are intended to or may damage or render inoperable software, hardware or security measures of WEB3 Technology, any User, or any other third party.

10. **Service / Services** – use of Tokens allocation, website (within a specific subpage of the Platform), smart contracts and related services. Users may also purchase Crypto Assets via a third party marketplaces or/and third party Providers. User shall have control over their Crypto Assets and are able to sell, or purchase Crypto Assets on any compatible marketplace.
11. **SNS** – Social Networking Site, such Twitter (X).
12. **ICT** – a system of cooperating ICT devices and software which provides processing and storing, as well as sending and receiving data via ICT networks using an appropriate type of an ICT end device.
13. **KYC/AML** – a set of activities as a result of which information on a particular User is obtained. These activities are performed in order to determine the scope of financial security measures appropriate for a given business relationship or transaction and to assess the risk related to counteracting money laundering and terrorist financing.

III. RESTRICTIONS

1. Our Services are intended to be played by adults and we do not knowingly collect, and do not wish to collect information about children. Creating an Account or entering the Service is not permitted for persons under the age of 13. The User shall deny access to the Service to children under the age of 13. The User shall be fully liable for any unauthorized use of the Service by minors, including payment instruments or online payments system.
2. If the User's age is between 13 and 17, it is the User's legal guardian who has to review and agree to this Agreement. If the User accesses the Service from an SNS, the User shall comply with its terms of service/use as well as this Agreement.
3. Use of the services may be territorially restricted. WEB3 Technology offers access to the services in accordance with local law. WEB3 Technology does not allow the use of the services by Users under the jurisdiction of: United States, Italy, Germany, Afghanistan, Libya, Serbia, Belarus, Somalia, Cuba, Sudan, South Sudan, Democratic Republic of the Congo, North Korea, Burundi, Syria, Egypt, Republic of Guinea, Bissau, Tunisia, Eritrea, Iran, the Central African Republic, Venezuela, Iraq, the Republic of the Union of Myanmar, Yemen, Lebanon, Zimbabwe. WEB3 Technology reserves the right to choose, limit or refuse to provide services in a particular jurisdiction at any time.
4. Users are required to use the Platform in a manner consistent with applicable law, herewith, regulations of third-party websites, as well as the principles of social coexistence, including the general principles of using the Internet and websites, and respecting the rights of third parties (in particular NFpad and Providers) and the WEB3 Technology. In particular, the User is obliged to use the Platform in a way that does not interfere with its functioning, is not inconvenient for other Users and the WEB3 Technology and respectful for the personal rights of third parties (including the right to privacy) and any other rights they are entitled to. In addition, the User is obliged to use all information and materials shared via the Platform only within the scope of fair use and potential licenses.
5. It is prohibited to: (i) create an Account using a false identity or information or on behalf of someone other than User; (ii) purchase, sell, rent or give away the User's Account; (iii) use the Account for commercial purposes or to advertise, solicit, transmit commercial advertisements, including spam e-mail or repetitive or misleading messages to anyone.

IV. ACCESS AND USE OF THE SERVICES

1. **Possibility to acquire Tokens through the Services.** The Services is accessible for Users of devices with the Internet connection. In order to use the Services, the User shall enter correctly the website address and run it on his/her device that supports the ICT system. Services available on the Platform are provided 24 hours a day, 7 days a week, at the User's individual request, based on running the Platform and using the Services.

2. **Results of the Violations.** If it is found that the User commits activities prohibited by law or hereby, or violates the principles of social coexistence or prejudicial to the legitimate interest of the WEB3 Technology, the WEB3 Technology may take all legally permitted actions, including limiting or preventing the User from using the provided Services.
3. **External Services and Content.** The WEB3 Technology, in cooperation with the third-party Providers, may provide Users with additional services, in particular with regard to the possibility of acquisition of Tokens from these Providers. Terms and conditions for the provision of electronic services as part of those websites are set out in the individual regulations of the websites. Using additional services and content requires reading and accepting their terms and conditions. In the event of a conflict between hereof and terms and conditions of additional services and content, the provisions of individual websites shall apply. In matters not covered by provisions of individual websites, the provisions hereof shall apply.
4. **Representations on the Crypto Assets.** The User represents that, with respect to the activity related to the allocation of Tokens on the Platform, the User acts on his/her own and on his/her own behalf, and in particular does not act for the benefit of a person or entity being a citizen or a resident of countries where law restricts or prohibits participation in processes collectively and commonly referred to as Initial Coin Offering or classifies the Tokens distribution process only as issuing of financial instruments or derivative financial instruments within the meaning of relevant national acts. The User accepts that the Tokens are not: (i) a document issued by name, on request or issued to the bearer, as well as a financial instrument and a participation unit nor an investment certificate; (ii) a packaged retail investment product within the meaning of Article 4 of the Regulation (EU) No 1286/2014 of the European Parliament and of the Council of 26 November 2014 on key information documents for packaged retail and insurance-based investment products (PRIIPs) and is not under any provisions of law provided by the state.
5. **Termination of the Service.** Notwithstanding with WEB3 Technology's other remedies, if WEB3 Technology considers that the User violates this Agreement or law, WEB3 Technology may, in consultation with NFpad at its own discretion limit, suspend, terminate, modify or delete access to the Service or/and parts of it. WEB3 Technology shall not be obliged to compensate the User loss and other benefits and privileges relating to use of the Services and lost due to the aforementioned WEB3 Technology's decision. WEB3 Technology may also take other technical and legal steps to prevent the User who violates this Agreement or law to access the Service, if WEB3 Technology considers that the User's actions violate any laws and third parties rights, including but not limited to Intellectual Property Rights and create risk of possible legal actions against WEB3 Technology, NFpad, Providers or their affiliates. WEB3 Technology has the right to stop supporting or offering the Service at any time and for any reason. In that case the User's license is immediately terminated. WEB3 Technology shall not be responsible to compensate the User any loss of benefits, privileges or funds that may derive from the Service's discontinuation. WEB3 Technology may at its sole discretion decide what misconduct shall be considered as violating this Agreement and take suitable actions, including prohibiting the User from using the Service or take any other actions allowed by the law.
6. **Property Rights.** WEB3 Technology is owner and shall have all rights, title and interest, including but not limited to all Intellectual Property Rights or other proprietary rights in connection with the Services except where certain property rights belong directly to the Provider. Except as expressly provided in these Terms of Use, no part of any Intellectual Property Rights owned by WEB3 Technology may be copied, reproduced, aggregated, republished, uploaded, posted, publicly displayed, encoded, translated, transmitted, distributed, sold, licensed, or otherwise exploited for any commercial purpose whatsoever, without WEB3 Technology's express prior written consent.

V. PURCHASE OF TOKENS AND USE OF SERVICES

1. **Tokens and Crypto Assets.** As a part of the activities performed on the Platform in relation to the functionalities offered by the WEB3 Technology, a particular Provider or smart contract directly, the User obtains the option of purchasing the Tokens hereunder. Details on how to purchase Tokens are each time specified by the WEB3 Technology, Provider or smart contract or other entities to which the Platform redirects (e.g. Metamask), in terms of making payments for the purchase of Tokens. The purchase of the Tokens entitles the Users to obtain the benefits specified by the particular Provider (its website or documents like litepaper, whitepaper), subject to provisions hereof. The collection of the Tokens by the User takes place immediately via the blockchain network, after the correct payment by the User. All

information about the Tokens is posted on the Platform in a place visible to the User or via the websites of third parties to which the Platform redirects.

2. **Transactions in blockchain technology.** The User, via the Platform and third party websites, in particular via the blockchain network, obtains the possibility of purchasing Tokens as a digital representation of the value generated in the blockchain network. Details on the method of purchasing the Tokens and their value expressed in the price - each time determined by third parties or websites of these third parties. Blockchain networks require the payment of a transaction fee (hereafter referred to as "Gas Fee") for every transaction that occurs on the blockchain networks. The User acknowledges and accepts that all transactions in blockchain technology (including transactions related to the Tokens) are final and it is not possible to return.
3. **Delivery of Tokens.** The collection of Tokens shall take place on the date and under the conditions specified by the Provider via the smart contract using the blockchain technology or other services that enable an automated operation of payment processing in return for the acquisition of the Tokens by the User. This information is made available by the WEB3 Technology or Provider on the Platform in a place visible to the User. The User may freely dispose the Tokens to third parties using blockchain technology.
4. **Lack of responsibility.** WEB3 Technology shall have no liability to User or to any third party for any claims or damages that may arise as a result of any transactions that User engages in via the Service or using the smart contracts, or any other transactions that User conducts via blockchain network.
5. **Access Fees.** WEB3 Technology is not liable for the amount of fees charged for the use of data transmission necessary to use the Services. With respect to access to certain Services, WEB3 Technology may condition access on having the appropriate Token in the User's Account (in a wallet such as Metamask). In such case, the User is required to first purchase the appropriate Token(s) in order to access the relevant Service.
6. **Taxes.** User shall be solely responsible to pay any and all sales, use, value-added and other taxes, duties, and assessments (except taxes on our net income) now or hereafter claimed or imposed by any governmental authority associated with User's use of the Services (including, without limitation, any Taxes related to User's ownership or transfer, of any Tokens). Except for income taxes levied on WEB3 Technology, User shall: (i) pay or reimburse WEB3 Technology for all national, federal, state, local, or other taxes and assessments of any jurisdiction, including value-added taxes and taxes as required by international tax treaties, customs or other import or export taxes, and amounts levied in lieu thereof based on charges set, services performed or payments made hereunder, as are now or hereafter may be imposed under the authority of any national, state, local or any other taxing jurisdiction; and (ii) not be entitled to deduct the amount of any such taxes, duties or assessments from payments made to WEB3 Technology pursuant to these Terms of Use & Conditions.
7. **Fees, price and availability of Tokens.** Crypto Assets (Tokens), fees, and billing procedures may change over time. The existence of a particular offer for Crypto Assets does not mean WEB3 Technology or Provider will maintain or continue to make available that particular Crypto Assets or that particular offer. The scope, variety, and type of Crypto Assets that User may obtain can change at any time and WEB3 Technology has the right to manage, regulate, control, modify, or remove any or all Crypto Assets (Tokens) available on the Platform at its sole discretion, in which case, unless prohibited by applicable law, WEB3 Technology shall have no liability to User or anyone for the exercise of such rights. Unless prohibited by applicable law, User's continued use of the Service after notice of the changes will indicate User's acceptance of those changes. The price of Crypto Assets on secondary markets may vary depending on a variety of factors including where or how User obtains them. The price and availability of Crypto Assets on secondary markets may change without notice. You expressly acknowledge and agree that your participation in Service, and your receipt and possession of any Crypto Assets, is voluntary and for entertainment purposes only.
8. **Risk assumptions.** While WEB3 Technology has taken a number of precautions to ensure the security of the Crypto Assets, the technology is relatively new and it is not possible to guarantee that the code is 100% free from exploits, bugs or errors and that the Provider's actions will be without errors or violations. User accept all risks that arise from using the Service and Crypto Assets, including but not limited to the

risk of any funds being lost due to a failure of the Service. Your Crypto Assets may be lost, stolen, or otherwise rendered unusable due to bugs in smart contracts implementing the Service. You accept and acknowledge each of the following:

- 1) The prices of blockchain assets are extremely volatile. Fluctuations in the price of other digital assets could materially and adversely affect the value of your Crypto Assets, which may also be subject to significant price volatility. We cannot guarantee that any purchasers of Crypto Assets will not lose money.
 - 2) WEB3 Technology does not store, send, or receive Crypto Assets - they are maintained on the blockchain network.
 - 3) User acknowledges and understands that there are risks associated with using an cryptocurrency (Tokens), including, but not limited to, the risk of hardware, software and Internet connections, the risk of malicious software introduction, and the risk that third parties may obtain unauthorized access to information stored within your wallet. User accepts and acknowledges that WEB3 Technology will not be responsible for any communication failures, disruptions, errors, distortions or delays you may experience when using the blockchain network.
 - 4) The regulatory regime governing blockchain technologies, cryptocurrencies, and tokens is uncertain, and new regulations or policies may materially adversely effect on the potential utility or value of Crypto Assets.
 - 5) Transactions that take place on the Service via blockchain are managed and confirmed via the blockchain network. You understand that your cryptocurrency wallet public address will be made publicly visible whenever you engage in a transaction on the Service or/and the Platform.
 - 6) WEB3 Technology neither owns nor controls any third party site, product, or service that you might access, visit, or use for the purpose of enabling you to use the various features of the Service (e.g. Google, Metamask etc.). WEB3 Technology shall not be liable for the acts or omissions of any such third parties, nor shall be liable for any damage that User may suffer as a result of User's transactions or any other interaction with any such third parties.
9. **Safety.** Each User undertakes to use the Service in accordance with its purpose, applicable law, social and moral norms and the provisions hereof. The User is obliged to protect own passwords, logins and private keys to the Tokens against third parties access. Any results of unauthorized acquisition of the password, keys or other data enabling the access to the Tokens owned by the User are not the liability of the WEB3 Technology.
10. **Service interruptions.** Breaks of technical causes may occur during functioning of the Service. The User has no claims resulting from the suspension or termination of the Services provision by the WEB3 Technology. The provision of the Services may be interrupted in the event of inappropriate connection quality, damage or defects of telecommunications equipment, power systems, computer equipment, failure of the telecommunications network, power outages or any action of third parties.
11. **Blocking the Access.** WEB3 Technology has the right to block access to the Service or individual functions in the event of irregularities in the use of the Service, in particular in the event of circumstances that could harm the User, WEB3 Technology, the Provider or NFpad. WEB3 Technology shall not be liable for the temporary suspension of access to the Service for the period necessary to remove any threats or irregularities.
12. **No Warranties.** WEB3 Technology does not warrant that its Services will be accessible for User at the times or locations chosen by the User, are error-free or free of viruses or other harmful components, as well as WEB3 Technology does not warrant that its Services will suit the User's purpose of use.
13. **Updates.** To provide the Service's proper performance, WEB3 Technology at its sole discretion, has the right to update its Service without prior notification. To continue using of the WEB3 Technology's Services the User must accept these updates, including updates of third parties' software from time to time.

VI. COPYRIGHTS AND INTELLECTUAL PROPERTY

1. **Competent Entity.** WEB3 Technology has all rights to the Services, as well as to its individual parts, in particular to text, graphic and multimedia elements as well as programming elements generating and

operating the Service, including industrial property rights and any other derivative rights, excluding the content provided by third-party Providers.

2. **License.** Upon the use of the Service and the acceptance hereof by the User, WEB3 Technology grants the User a non-exclusive license to the extent of the Services used by the User. The license is non-transferable and is granted for the duration of the User's use of the Service in accordance with its purpose and in a manner consistent herewith. The non-exclusive license granted to the User does not authorize the User to grant further licenses. Furthermore, the User is not authorized to act outside the scope of the License.
3. **Breach of the License Terms and Conditions.** In the event of a breach by the User of the terms and conditions of using the Services or the licenses granted, the WEB3 Technology shall be entitled to block the User's access to the Services and revoke the granted license. The above does not prejudice the WEB3 Technology's right to take other appropriate and legal actions in connection with the breach.

VII. NOTIFICATIONS AND COMPLAINTS

1. All notifications about functioning of the Services provided via Platform, as well as questions about using the Services or information about a particular Provider shall be directed via e-mail address: info@nfpad.io.
2. **Content of the Notification.** The notification shall include: User's data, contact, reasons for notification and detailed description.
3. **Response to the Notification.** Within 30 days from the date of receiving a notification, the WEB3 Technology considers the notification and informs the User about the result of its consideration. This period may be extended if the consideration of the complaint requires special information or the WEB3 Technology encounters other difficulties beyond its control or if it is necessary to obtain additional information from the User. The reply to the complaint shall be sent by the WEB3 Technology to the e-mail address from which it was received. Sending a complaint by the User in an electronic form is understood as a consent to receive a response from the WEB3 Technology also in electronic form.
4. **Reservations.** The WEB3 Technology reserves the right not to respond to a complaint that is clearly unfounded, in particular to the extent that the complaint has already been examined in relation to a given User.

VIII. LIABILITY OF THE LIABILITY

1. The WEB3 Technology supervises the technical functioning of the Services on an ongoing basis, ensuring its correct operation. However, the WEB3 Technology does not guarantee the constant availability of all functions of a particular Service, as well as their error-free operation.
2. **Exemption of Liability.** The User uses the Platform and Services voluntarily, at own risk. As far as it is permitted by law, WEB3 Technology is not liable to the User for any damages, including loss of revenues, lost profits, data, business interruption or other unless these damages arise from WEB3 Technology's gross negligence or willful misconduct or from death or personal injury arising from WEB3 Technology's any negligence or fraud. This Agreement does not affect any statutory rights of consumers. The User undertakes to indemnify, defend and hold WEB3 Technology (and its officers, directors, agents, subsidiaries, joint ventures and employees) harmless from any claim, demand, damages or other losses, including reasonable attorneys' fees, asserted by any third party resulting from or arising out of the User's use of the Service and the Platform, or any breach by the User of this Agreement. For the avoidance of doubt, the foregoing does not apply if the infringement of rights is not attributable to the User's intentional or negligent behavior.
3. **Force Majeure.** WEB3 Technology shall not be liable and shall be excluded from performing if such performance hereunder is interfered with by any condition beyond WEB3 Technology's reasonable control, including labor disputes, or other industrial disturbances, electrical or power outages, utilities or other telecommunications failures, earthquake, storms or other elements of nature, blockages, embargoes, riots, acts of orders of government, acts of terrorism or war.

IX. FINAL PROVISIONS

1. **Disputes.** All disputes that may arise in connection herewith shall be settled amicably in the first place, by mutual arrangements between the User and WEB3 Technology. The User acknowledges and accepts that the amicable resolution of a dispute procedure is a condition precedent that shall be met prior to commencing any legal proceedings. In such a situation, the User is obliged to contact WEB3 Technology via e-mail address pursuant to provisions hereof. If the above requirements are met, as well as in the absence of an amicable solution to the dispute, the provisions hereof shall be settled by the court competent for the current place of the registered office of the WEB3 Technology. The applicable law will be the Comoros Union. At the same time, the User acknowledges and accepts that disputes arising herefrom may only be considered on the basis of an individual case of the User. In no way the WEB3 Technology is obliged to settle disputes as collective cases or collective actions.
2. **Relevant Jurisdiction.** The provisions hereof and all disputes between the WEB3 Technology and the User are subject to law applicable in the place of the WEB3 Technology's main office at a given moment. Any claim arising out of it shall be resolved exclusively by the competent court having jurisdiction in the Comoros Union, unless the law in your country of residence allows you to choose the courts of that country for the dispute in question.
3. **Right to transfer.** The User acknowledges and accepts that the WEB3 Technology may transfer the rights and obligations resulting from the implementation of the provisions hereof to another entity, person or third parties, including transferring the rights and obligations to another, newly established company as a result of the transformation.
4. **Additional Policies.** WEB3 Technology may publish additional policies related to its Services. The User must agree and comply with these policies to use the Services.
5. **Nullity.** No legal basis or incompleteness of any of the provisions contained herein does not mean that the entire document is null and void. Such provisions shall be amended to the ones that best reflect their meaning and purpose.
6. **Right to change.** WEB3 Technology reserves the right to make changes to this Terms of Use & Conditions, if necessary, in particular for legal reasons or in connection with changes in the Services provided. In the event of such a circumstance, the User shall be informed and WEB3 Technology shall publish the current wording of the Terms of Use & Conditions on the Platform.
